Bangkok Solar Co.,Ltd. was established in May 2003 as the first Amorphous Silicon(a-Si) Photovoltaic Modules Manufacturer in Thailand and granted ISO 9001:2000 : Due to high demand of solar modules, BSC has increased its capacity to 20 MWp around the middle of 2006 and currently reach 50 MWp in 2008. We always realize how important the ...

Established in 2007, Bangkok Solar Power Co., Ltd. has been determined to be the leader in Thailand"s renewable energy through the past decade. It began when we pushed for a power purchase agreement (PPA) for a solar power plant and sustained its success as the first company reaching a PPA with the government on power generation for the ...
