North Macedonia can count on the Secretariat's hands-on support." Deputy Prime Minister Bytyki said: " North Macedonia remains committed to its obligations under the Energy Community Treaty and the Paris Agreement, despite the challenges posed by recent developments. The Government's adoption of the Energy and Climate Plan testifies to ...

ESM owns and operates North Macedonia's 36.5 MW wind park in the southern part of the country, and a private company completed construction of another 36 MW wind park. ESM plans to increase capacity of the existing one by 14 MW and invest in another 50 MW in the same area. The government also designated a 415 MW wind park project with German ...
