

Bacavalley Energy is the owner and operator of the San Pedro project, and Tankerton Construction of Quezon City, Philippines, was the lead contractor for the construction of the new plant. Sign up for our weekly news round-up! Give your business an edge with our leading industry insights.

The commission said that allowing Bacavalley Energy Inc. to supply power to the largest power distributor will âEUroeround to the benefit of MeralcoâEUR(TM)s consumers and the government." Meralco had eyed BacavalleyâEUR(TM)s 4.2-megawatt methane plant in the southern part of Metro Manila to become one of its power generators for two years.

In the Philippines, Bacavalley Energy has launched its biomass power plant in San Pedro, Laguna. The plant, which cost \$10 million (EUR7.57 million) to construct, will generate 4MW of energy from methane gas produced at the San Pedro landfill. The landfill is located in a 12-hectare site in the southern province of Luzon and consists...
