

Beijing SinoHy Energy Co., Ltd. was founded in 2007 and is a national high-tech enterprise focusing on R&D and production of water electrolysis hydrogen production and storage equipment. With more than ten year's development, ...

With the growth of the hydrogen and renewable energy sectors in recent years, Hygreen Energy is well-positioned to leverage its years of experience to address the overseas electrolyzer market ...

SinoHy Energy can not only provide electrolyzed water hydrogen production equipment, but also provide technology and equipment for wind power hydrogen production centers and hydrogen refueling stations, and gradually expand the ...

Beijing SinoHy Energy Co., Ltd, a national high-tech enterprise focusing on research and development and manufacturing of hydrogen generation equipment, while providing energy application total solutions as well. After 15 years of development, the company has become an industry-leading hydrogen energy technology company with alkaline and PEM ...

Beijing SinoHy Energy Co., Ltd, a Beijing-based electrolyser manufacturer and hydrogen energy solutions provider, has inked an export deal for the delivery of an alkaline water electrolyser with a capacity of 60 Nm³/h with a Spanish photovoltaic firm.

Beijing SinoHy Energy Co., Ltd, (SinoHy) is a professional company for the operating, researching, manufacture, sale and supply of gas generation and testing system. We have the capacity and professional technology to serve our client on time and have accumulated plenty of outstanding achievements in electric power industry area. There are over ...

Beijing SinoHy Energy Co., Ltd. was established in 2007 and has been focusing on the field of water electrolysis hydrogen production, hydrogen refueling and energy storage. It is a national high-tech enterprise, ranking top in the same industry nationwide, and is a water electrolysis hydrogen production equipment company in Beijing.

About SinoHy Energy. Beijing SinoHy Energy Co., Ltd. (hereinafter referred to as "SinoHy Energy") is a hydrogen generation equipment and hydrogen energy comprehensive utilization solutions provider. The ...

Legal Name Beijing SinoHy Energy Co., Ltd. Company Type For Profit; Contact Email intl.sales@hygreenenergy ; Phone Number 86-10-81215858; Beijing CEI Technology Co., Ltd. specializes in the design, production, and sale of water electrolysis hydrogen/oxygen generators. The company focuses on the comprehensive utilization of hydrogen energy ...

Beijing SinoHy Energy Co., Ltd. China. Contact supplier. Send Message. Show Case. industrial hho kit hydrogen fuel cell powered ele... 1000000 - 1000000 USD / Sets . Green Energy H2 Systems Water Electrolysis Hydroge... 550000 - 550000 USD / Sets . industrial Capacity PEM water electrolyzer Hydroge...

Beijing SinoHy Energy Co., Ltd. (hereinafter referred to as "SinoHy Energy") is a hydrogen generation equipment and hydrogen energy comprehensive utilization solutions provider. The company mainly focuses on hydrogen energy field research and development, generation and sales of "turnkey" projects, with matured alkaline (1200Nm3/hour ...

Beijing, China and Madrid, Spain - June 27, 2024 - Hygreen Energy ("Hygreen" or "the Company"), a global electrolyzer supplier for green hydrogen production, is pleased to announce the completion of its amalgamation of Beijing SinoHy ...

????????????????2007-07,??,??,????????????????????,??,????????? ...

BEIJING, CHINA AND MADRID, SPAIN / ACCESSWIRE / June 27, 2024 / Hygreen Energy ("Hygreen" or "the Company"), a global electrolyzer supplier for green hydrogen production, is pleased to announce the completion of its amalgamation of Beijing SinoHy Energy Co., Ltd. ("SinoHy"). The transition will reposition the Company to become a major player in ...

Leading Electrolyzer Manufacturer from China is Repositioning for Global Markets BEIJING, CHINA AND MADRID, SPAIN / ACCESSWIRE / June 27, 2024 /Hygreen Energy ("Hygreen" or "the Company"), a ...
