Chi siamo. STC POWER viene fondata nel 1981 a Bologna come STC e nel 1985 trasferisce la propria sede a Forlì. Fin dalle proprie origini si rivolge al settore degli impianti per la produzione di energia elettrica introducendo nel mercato italiano impianti di cogenerazione basati principalmente su turbogas di piccola e media taglia e si impone sul mercato italiano ...

Cogenerazione . Storicamente il core business di STC POWER è il servizio a industrie di media e grande dimensione con un fabbisogno congiunto di energia elettrica e calore.Data la grande esperienza maturata in tanti anni di attività e le varie tipologie di industrie nelle quali si è intervenuto, STC è in grado di realizzare impianti che possano ottimizzare l'utilizzo dell'energia ...

I completed my course of study graduating in Electronic Engineering with biomedical direction, as a synthesis of my two eternal passions, electronics and medicine, maturing the firm conviction that, of all that I had studied, of one thing I would never busy: process engineering.
As you wanted to demonstrate: from then until today I have done almost nothing else!
Over the ...
