The Cocos Islands, also known as the Keeling Islands, are a group of coral islands that form two atolls. The islands are located halfway between Australia and Sri Lanka and are home to a small population of around 600 people. ... They exist because they allow regions to align their local time more closely with solar time, ensuring that the sun ...

Bantam Shire of Cocos 6799, Cocos (Keeling) Islands. An Indian Ocean territory of Australia, the Cocos (Keeling) Islands are an atoll, located 2,936 kilometres north-west of Perth; 986 kilometres south-west of Christmas Island; 1,270 kilometres south-west of Jakarta (Indonesia) and 2,834 kilometres south-east of Colombo (Sri Lanka).The nearest landmass to the south is Antarctica, ...

Scuba diving at Cocos Keeling islands is nothing short of spectacular. Fabulous visibility, pristine coral reefs, abundant marine life and all the trappings of a tropical paradise without the flashy resorts. Yes, it is isolated and it takes some effort to get there, but this is more than offset by the quality of the diving, the friendly locals ...

A wet day is one with at least 0.04 inches of liquid or liquid-equivalent precipitation. The chance of wet days at Cocos Island Airport varies significantly throughout the year. The wetter season lasts 6.1 months, from January 16 to July 20, with a greater than 28% chance of a given day being a wet day. The month with the most wet days at Cocos Island Airport is March, with an average ...

The Cocos (Keeling) Islands support high density resident green and hawksbill turtles and low to moderate density nesting green turtles. Dedicated studies were conducted on resident foraging ...

The shortest day of the month is September 1, with 11 hours, 53 minutes of daylight and the ...

The Cocos (Keeling) Islands Council, established as the elected body of the Cocos Malay community in July 1979, advises the Administrator on all issues affecting the Territory. In 1978 the Australian Government purchased the Clunies-Ross family's entire interests in the islands, except for the family residence for A\$6.250.000. A Cocos Malay co ...

IT'S NOT EVERY DAY YOU GET TO visit your home country's most remote territory--but "location, location, location" is my mantra for visiting a place as off-the-radar as Australia's Cocos (Keeling) Islands. Roughly halfway between Sri Lanka and the coast of Western Australia, this compact archipelago--two atolls and 27 coral islands--lies in balmy Indian ...

Scuba diving at Cocos Keeling islands is nothing short of spectacular. Fabulous visibility, pristine coral reefs, abundant marine life and all the trappings of a tropical paradise without the flashy resorts. Yes, it is isolated and it takes ...

The Cocos (Keeling) Islands is an Australian territory in the Indian Ocean. THE fire started burning after a conversation with my partner, Rachel, about this so-called Australian paradise. It wasn't until we started to dig into any little bits of information we could find that we knew it was our calling. With Rachel's final teaching ...
