

What types of outdoor electrical enclosures are available?

Our offerings include powder-coated galvanized steel, stainless steel, and marine-grade aluminium outdoor telecom, electrical or ESS battery storage enclosures. We supply outdoor electrical enclosures and electrical cabinets for low-voltage switchgear and control gear assemblies.

What are outdoor Telecom cabinets?

Our outdoor telecom cabinets are designed to protect your sensitive network equipment from harsh environments where equipment may be exposed to dust or water. For added protection, there is a water and dust proof polyurethane door joint strip.

Are outdoor enclosures UL & IEC certified?

Our outdoor enclosure solutions are designed to meet strict certifications outlined by the UL and IEC standards. It's our commitment to providing customers with reliable products that they can trust to protect their equipment against harsh weather conditions like wind storms and electrical surges.

Who is Doho electrical enclosure cabinet manufacturer?

DOHO is an electrical enclosure cabinet manufacturer with over 10 years of experience in manufacturing electrical enclosures for industrial and commercial use. We offer a range of services including custom design, fabrication, installation, and maintenance for all your electrical needs.

Who designs outdoor enclosures?

Traditionally, outdoor enclosures have been designed by construction specialists or salespeople, but at DOHO, our outdoor cabinet solutions are led by a team of highly skilled engineers. Our team has the engineering expertise to design and manufacture products that meet the highest standards in the industry.

Are Doho outdoor electrical enclosure boxes NEMA rated?

This NEMA-rated enclosure comes in a variety of sizes and custom options to ensure that you get the right fit for your needs. The DOHO Outdoor Electrical Enclosure Boxes is designed by certified engineers and field service technicians.
