8.3 Ah, Rechargeable Lithium-Ion BatteryThe first Lithium-Ion Battery approved for use in combat operations. Typically used in AN/PRM-34 (Radio Set), AN/PRS-7 (Mine Detector) and AN/PAS-13 (Thermal Weapon Sight). Additional ...

enersys completes acquisition of bren-tronics to expand presence in critical defense applications posted: july 29, 2024 ENERSYS TO ACQUIRE BREN-TRONICS, INC. TO EXPAND PRESENCE IN CRITICAL DEFENSE APPLICATIONS Posted: July 29, 2024

8.3 Ah, Rechargeable Lithium-Ion BatteryThe first Lithium-Ion Battery approved for use in combat operations. Typically used in AN/PRM-34 (Radio Set), AN/PRS-7 (Mine Detector) and AN/PAS-13 (Thermal Weapon Sight). Additional capacity versions available.

Our Lithium-Ion battery systems are ideally suited for demanding directed energy applications (i.e. lasers) as well as hybrid front line renewable solutions. Bren-Tronics is the world leader in the design and production of military ...

From our first primary battery in 1973 to our high-capacity li-ion batteries of today, Bren-Tronics has been leading the way in energy storage and charging solutions. Read ...

With over 48 years of delivering reliable and consistent energy to the military and industry, Bren-Tronics, a

market leader, has engineered powerful solar power solutions to meet local and international needs.

?? Bren-Tronics International Solutions sous sa marque B-ionD est fier de propulser les bateaux IMOCA du Vendée Globe 2024 avec des solutions énergétiques robustes et fiables !

6.6 Ah, Rechargeable Lithium-Ion Battery This configuration of the BB-2557/U offers the best performance of any Bren-Tronics BB-2557 configurations. It's more durable and runs 50% longer than the BT-70757 (BB-2557/U). It is certified by the DOD for Military Use. Please refer to BT-70757BV, our highest capacity BB-2557/U battery or contact us for more ...

The following are solutions that are being adopted around the globe by US and partner nations' fighting forces. Gone are the days of each device having its own battery. Bren-Tronics designs and manufactures a variety of batteries that fit this need as well as a line of charging solutions and other accessories to support these batteries.

At Bren-Tronics, we know that our success depends on motivated professionals empowered to perform at their very best. ... Our Custom Solutions; T's & C's / Certificates; GET IN TOUCH . 10 Brayton Court Commack, NY 11725-3197. 631-499-5155 x1180. sales@bren-tronics . Headquarters . International. ...

Rechargeable Lithium-Ion Battery Suitable for distributed modular wearable power. Higher energy density than BB-2525/U at 210Wh/kg vs. 127Wh/kg. Designed for quick swapability when using Bren-Tronics docking stations.

Since our beginnings, Bren-Tronics has been a leader in advanced and innovative battery and power solutions for the global marketplace. One of the industries that our batteries have served in is military robotics. The batteries we've developed are often used in robots for military use.
