

What is a Growatt solar inverter?

Growatt manufacture solar PV inverters for on-grid and off-grid solar installations, ranging from power capacities of 1 kW right up to 630 kW. For anyone looking to store excess solar energy, Growatt storage inverters hold solar energy for use at a later time, in addition to carrying out the job of a solar inverter.

Why are Growatt inverters so popular?

With an IP65 rating and fantastic prices, it's no wonder why Growatt inverters are so popular. International market research company EUPD Research has awarded Growatt 19 'Top Brand PV Inverter' seals. This reflects Growatt inverter's performance, market penetration and customer satisfaction across global solar markets.

How efficient is a Growatt inverter?

Higher efficiency results in less energy loss and more savings. Growatt inverter efficiency ranges from 94% to 99% depending on the model and type of inverter. This places them among the top performers in the market, especially compared to some of the European brands that have lower efficiency ratings.

Are Growatt solar inverters compatible with three-phase electricity supplies?

These Growatt solar inverters are compatible with three-phase electricity supplies of residential and small commercial buildings. The 7000-11000 TL3-S range includes solar inverters that are able to handle more power than the 3000-6000 TL3-S range.

How many inverters does a Growatt 5000TL HVM have?

Growatt produces utility, commercial and residential inverters ranging in size from 0.75kW to 15kW. Up to 6 inverters can be connected together to increase the power output. The Growatt 5000TL HVM is a hybrid inverter with a maximum power PV input voltage of up to 145 Vdc.

What is a Growatt SP2000 solar inverter?

Unlike other solar inverters, the Growatt SP2000 also acts as a solar battery, storing excess solar energy generated by the panels for use at a later time. The lithium battery holds on to the DC electricity sent down by the solar panels. The total storage capacity is 5 kW, with 4 kW available for use around the home.
