Yes Miquelon has its own accent, slightly different than St Pierre. Miquelon has a much stronger Acadian base to it historically. Actually the most of the Magdalen islands were settled by catholic acadians from Miquelon who fled the French revolution : they believed the king was of divine right, therefore a Republic was antithetic to their beliefs.

Ecobalade dans la vallée des 7 rivières, organisée par la MNE Maison de la Nature et de l'Environnement, avec comme guide Axel Hacala, le 3 août 2016 | Jean-François Marin

The last remnant of France's once-vast holdings in North America, an island archipelago off the coast of Newfoundland bears the scars of a complicated geologic history. Altogether, the archipelago covers just 242 square kilometers (93 square miles), and the three biggest islands lend the entire island chain its name: Saint Pierre and Miquelon.
