

What is included in the JA Solar installation manual?

Thank you for choosing JA SOLAR modules! This Installation Manual contains essential information for electrical and mechanical installation that you must know before handling, installing JA Solar Modules. This Manual also contains safety information you need to be familiar with.

Are JA Solar modules Class A?

JA solar modules have been listed as Class A according to IEC 61730-2 standard. For roof installations, modules should be mounted over a fire resistant covering suitable for this application, with adequate ventilation between the modules backsheet and the mounting surface.

How do I install JA Solar panels?

JA solar recommends installing the modules with a tilt angle of at least 10 degrees, making it easier for dust to be washed off by rain. Ensure the installation method and supporting system of modules is strong enough to make the modules can withstand all the load conditions. The Installer must provide this guarantee.

What payment methods does JA Solar accept?

We accept: Visa, MasterCard, Discover, and American Express. We also accept checks, direct deposit and wire transfers for large orders. You Recently Viewed... Unlock superior energy efficiency with JA Solar's JAM72D30-540/MB 540W Mono Bifacial Solar Panel at SolarTown.com. Harness sunlight from both sides for optimized power generation.

What is JA Solar jam72-d30-540mb?

JA Solar JAM72-D30-540MB is a PV module fit for both residential and commercial applications. JA Solar engineers made the Deep Blue series durable and efficient while minimizing the amount of useful space required for their operation. The Passivated Emitter Rear Contact (PERC) technology ensures excellent power output.

What are the advantages of JA Solar?

The Passivated Emitter Rear Contact (PERC) technology ensures excellent power output. This solar cell type employs an additional reflective layer to absorb more sunlight. Another advantage is the half-cut cell technology. JA Solar has solar cells half the size of those installed in conventional panels.
