

Liberia hyper strong

What are the strengths of Liberia?

Liberians' vital strengths in this peaceful transfer include strong political will, reflected in record voter turnout, and a potent civic history of nonviolent movements for change, buttressed by U.S. support in countering corruption. Liberian election workers help a man cast his presidential ballot at a Monrovia school in November.

Does Liberia's Presidential Inauguration strengthen postwar democracy?

Liberia's presidential inauguration last week, a peaceful transfer of power between opposed political parties, strengthens its postwar democracy-- an achievement that we should highlight as an instructive counterpoint to West Africa's military coups and other erosions of democracy.

Is Liberia a good country?

Liberia is ranked 141 of 145 out of the countries considered for the annual Global Firepower review. The nation holds a Power Index score of 4.0006 with a score of 0.0000 being considered exceptional in the GFP assessment. This country is an Active Member of the African Union alliance. Art. (Towed)

Could Liberia be a 'peer influencer' in West Africa?

Liberian election workers help a man cast his presidential ballot at a Monrovia school in November. Liberia's peaceful election and transfer of power could make the country a prodemocracy 'peer influencer' in turbulent West Africa. (Flickr/PhotoLiberia)

Can Liberia be a model for securing a durable peace?

Senegal, Ghana and Liberia's neighbor, Guinea, all will hold presidential or parliamentary elections this year. There, democracy advocates will do well to inspire citizens, civil society, political parties and candidates to look to Liberia as a model for securing a durable peace through democracy.

Can Liberia help bolster prodemocracy alignment in West Africa?

In West Africa, Liberia's example can help bolster the prodemocracy alignment of the regional bloc, the Economic Community of West African States (ECOWAS).

Dr. Bropleh explained that strong institutions are essential to Liberia's development, calling attention to the qualities necessary for their success--effective ...
