

Free Solar CRM, Solar Proposal Maker, Solar Loans, Procurement. Solartrade is all-in-one solar platform that empowers local solar businesses and entrepreneurs in India. It provides a comprehensive solution for the industry, including digitization tools, business resources, and an ecosystem for collaboration and growth.

It's not an accident that Lumen Solar is the top-rated solar power company in the U.S., with thousands of ecstatic customers who now enjoy lower energy bills. In fact, establishing the Lumen Solar difference was part of our plan from the very beginning, as it reflects our values, leadership, and dictates everything else we do.

At Lumen Solar, we wholeheartedly believe in the transformative power of solar technology as the future of our world. It was this unwavering belief that led us to establish a company driven by integrity and transparency. Witnessing the prevalence of high-pressure sales tactics, twisted information, and shady practices in the solar industry, we ...
