In May 2022, LWP Board President Jon Lee visited villages in Malawi where wells were recently constructed. His photos of villagers taking advantage of clean water are beautiful--and fill us with gratitude for the donors who made these wells possible. "I've had an outstanding visit, led by Joseph and

Malawi's Growth and Development Strategy (2006-2011) Section 5.1.1.6 (Conservation of the natural resource base) speaks to the long-term goal of reducing environmental degradation, and the expectation to "ensure sustainable use and management of forestry resources" in the medium-term. It also mentions Malawi's high rate of deforestation ...
