The Apollo 5K is obviously not a good choice if you are shopping for a portable solar generator. It weighs 132lbs. It's a standby, not a portable solar generator. That said, there are a couple of options if you need to maneuver it around ...

Portable: Solar generators are typically lightweight and easy to transport, ideal for camping, outdoor activities, or emergency situations. No Fuel Dependency: Unlike gas generators, solar generators rely on sunlight, eliminating the need for fuel. This can save money in the long term and prevent reliance on a fuel supply during emergencies.
