Houston, Texas -- Tricon Energy, a Houston-based distribution, trading, and logistics firm, announced it has entered into a purchase agreement to acquire eXsource, a specialty polymer distribution business based in Australia and New Zealand, from Qenos. The deal is expected to close within the next 30 days. "We are growing our polymers distribution business," said ...

Transition metal dichalcogenides and related layered materials in their monolayer and a few layers thicknesses regime provide a promising optoelectronic platform for exploring the excitonic- and many-body physics. Strain engineering has emerged as a potent technique for tuning the excitonic properties favorable for exciton-based devices. We have ...
