

Who owns exagen?

Credit: Octopus Energy. The UK-based Octopus Energy Group has acquired a 24% stake in large-scale battery developer Exagen through its new renewables fund, Octopus Energy Development Partnership (OEDP). OEDP is a EUR220m renewables fund whose investment in Exagen will help develop large-scale solar and battery facilities in the UK.

Will exagen invest in Rentech?

The initial investment will inject new capital into Exagen, a renewable technology ("rentech") company and is to acquire projects from its development pipeline.

Will exagen build a mega-battery in the Midlands?

In line with Exagen's large-scale storage strategy, its development team has secured land and grid connection for a 500MW/1GWh standalone mega-battery in the Midlands.

Will exagen develop a 5GW project?

Exagen plans to develop and operate 5GW of such projects over the next decade and expand internationally.

Exagen Group | 2,413 followers on LinkedIn. Utility-Scale Solar, Battery Storage, Renewables, Development Funding | Exagen Group is passionate about renewable energy and its role in driving down greenhouse gas emissions. Octopus Energy Generation has completed the full acquisition of UK-based renewables and energy storage developer Exagen Group from its founder, Jeremy Littman. Exagen's development pipeline features more than ...

Exagen's development pipeline features more than 2.4GW of solar and energy storage initiatives throughout England. Octopus' acquisition will facilitate the quicker execution of these projects.

In 1914 the UK handed Norfolk Island over to Australia to administer as an external territory. Native to the island, the evergreen Norfolk Island pine is a symbol of the island and is pictured on its flag. The pine is a key export for Norfolk Island, being a popular ornamental tree in Australia (where two related species grow), and also worldwide.

Experience the beauty of Norfolk Island by night on this under-the-stars tour of the Norfolk Forest. Offering visitors the chance to delve deeper into the stories of Norfolk Island under towering Norfolk pines lit up by fairy lights, Wonderland by Night is guaranteed to enchant any visitor.
