Inspireerime, planeerime ja teostame - Parmet loob koostöös arhitektide ning arendajatega kvaliteetseid ja erinäolisi ehituslahendusi, mis rikastavad linnapilti.Pakume fassaadiehituse täisteenust, kuhu kuulub ka projekteerimine ning materjalide tootmine. Alates ettevõtte asutamisest 1991. aastal on meie fookus olnud metallist arhitektuurielementidel, kuivõrd just ...

?Introducing Parmet Solar's Monthly Newsletter! ? Here is your June Digest! Discover Why You Should Choose BIPV! Find out how Building-Integrated Photovoltaics (BIPV) can revolutionize your ...

In the simplest terms, manufacturing is the process of producing actual goods or items/products through the use of raw materials, human labour, use of machinery, tools and other processes such as chemical formulation. This process usually starts with product designing and raw material selection, turning them into an actual product output. Solar Products Manufacturers and ...

Solar Products Distributors Distributors are those companies working as big warehouses that served as the middlemen between the consumer/customer and the manufacturer. Typically, in distribution, a company is handling the sourcing, stocking and logistics but nowadays they are also helping manufacturers in product designing and solving other business conflicts. Aside ...

The largest collection of free solar radiation maps. Download maps of GHI, DNI, and PV output power potential for various countries, continents and regions. Solutions. Services. ... Solar resource maps of Guinea. The map and data products on this page are licensed under the Creative Commons Attribution license (CC BY-SA 4.0). You are free to ...
