

Compared to other manufacturers, the PD380 photovoltaic drilling rig has the following characteristics: 1. It adopts a PC heavy-duty track assembly, which has better walking ...

After-sales Service: Online Support Warranty: 1 Year, 1 Year Condition: New, New Motor: AC Motor Drill Hole Diameter: >300mm, 130mm-350mm Drill Hole Depth: >200m, 160m-800m

MZ398Y crawler hydraulic drilling rig, adopts unique construction technology and climbing mechanism design, which can be adjusted according to the slope height, suitable for maximum ...

Our drilling rigs work remarkably in photovoltaic industry. Our drilling rigs work remarkably in photovoltaic industry. +86-0313-3865999 export@taiyedrill Language English ; ??? ...

DS300 is multi-functional solar post drilling machine. 1) It can complete drilling work in different applications, such as in solar power station as solar post pile driver, in highway building as post piling rig. ... This photovoltaic drilling rig has ...

PV Drilling V is the 8th TAD in the world which is the latest generation of its kind with state-of-the-art technology and could be considered as the most modern Tender Assist Drilling Rig with the SSdT 3600E HP design. ... NOV VBJ RST ...

In response to the low-cost drilling requirements of thin g +86-400-666-4000. international@hanslaser . About Us. About Us. Introduction ... Han's Photovoltaic Equipment has developed high-precision, high-efficiency ...

The SPV-50Y hydraulic photovoltaic pile driver, also known as a solar pile driver, solar pile driving machine, photovoltaic pile driving machine, PV drilling rig, or solar PV pile driver, is an advanced piece of equipment designed for efficient ...

Photovoltaic pile driver is not only for photovoltaic or solar piling drilling, it also can work for water drilling and foundation drilling etc. multi-functional drilling work. Solar pile driver has ...

The mast has adjustable compensation function, when drilling, the mast is supported on the ground, and the drilling stability is good. Application The drilling rig is mainly used for piling ...

MWGF150 multi-functional photovoltaic drilling rig is a multi-purpose drilling rig integrating photovoltaic piling, foundation piling, blasting hole drilling, and down-the-hole drilling. It adopts ...

Distributed photovoltaic power station for photovoltaic support equipment and technical requirements. 1. Material and performance requirements: (1). Material requirements: ...

DS300 is multi-functional solar post drilling machine. 1) It can complete drilling work in different applications, such as in solar power station as solar post pile driver, in highway building as post piling rig. 2) This photovoltaic drilling rig has ...

As dawn breaks and the sun begins its daily parade across the sky, it doesn't just bring light; it carries the promise of a cleaner, greener future. Solar energy, a powerhouse ...

Product Description HFPV-1 solar drill rig, using new type of hydraulic technology, convenient for hole transfer. The drilling machine structure is compact, while the mast has adjustable ...

The FD150 multifunctional crawler drilling rig is a versatile machine that combines photovoltaic piling, foundation piling, blasting, and percussive drilling. It features a new type of single-strand ...
