

Ranking of Photovoltaic Solar Panel Component Manufacturers

Who are the top 20 solar module manufacturers?

The module shipments of the top 20 manufacturers increased by more than 50% year-on-year, of which the shipments of the top four accounted for 59.95% of the total shipments of the top 20. The major players maintained their leading positions throughout the list. The top four were LONGi, Jinko, Trina and JA Solar, the same order as previous year.

What are the top solar panel manufacturers?

The top global solar panel manufacturers, based on their scale, include companies such as TW-Solar, JA Solar, AIKO, and others - these manufacturers ship a large number of solar products around the world each year.

Who are the top solar companies in the world?

In August 2023, Tongwei Group made history as the first solar PV company on the Fortune Global 500 list, and is currently the only solar company on the global list (as of March 2024). The top seven global solar panel manufacturers are mostly (though not exclusively) Chinese.

Who makes the most solar panels in 2022?

JA Solar, Canadian Solar, and Risen Energy rounded out the top six, in a year dominated by large-format modules. TrendForce says in a new report that the top six module manufacturers in 2022 shipped around 205 GW to 211 GW of PV panels, accounting for 76% to 78% of 270 GW of module demand last year. All of the main manufacturers are based in China.

How many solar PV module manufacturers are there?

Wood Mackenzie has released a comprehensive ranking of global solar PV module manufacturers based on a unique scoring criteria. We evaluated more than 30 solar PV module manufacturers based on vendor surveys, public filings, proprietary databases and dozens of conversations with manufacturers.

Who is the largest solar panel manufacturer in the world?

Tongwei Solar (TW-Solar) is the largest solar panel manufacturer in the world. TW-Solar shipped a whopping 38.1GW of solar modules in 2022, doubling Trina Solar's shipments and achieving an annual revenue of USD \$20.57 billion (£16.2 billion). In August 2023, Tongwei Group made history as the first solar PV company on the Fortune Global 500 list.
