

What are the best solar panel brands?

Find out what owners think of JA Solar, Jinko Solar, Longi, Solaredge and Trina Solar solar pv panels to find the best solar panel brand for you.

What are the top solar panel brands in 2024?

February 13, 2024 - Today, SolarReviews released its annual solar panel brand ranking list, and Qcells has been crowned the top solar panel brand for the second year in a row! Details around the ranking list can be found here, but here is a quick snapshot of the top 2024 solar panel brands:

Which REC Solar panels are the best?

Not including the other solar panels on the list, we've identified REC's Alpha Pure-RXR solar panels as the best across all of the main categories that we've assessed. One of the most notable selling points is the 25-year product and performance warranty, a strong indicator of REC's quality craftsmanship.

What are the best solar panels in the UK?

According to our findings, the brands with the best solar panels include REC Group, Sunpower, and AIKO. What is considered the "best" solar panel in the UK will vary depending on who you ask, and what metrics you value. Some homeowners may prefer a low-cost solar panel over one that's highly efficient, for example.

Who makes high-efficiency solar panels?

Sunpower, now known as Maxison Solar, is the world leader in manufacturing high-efficiency solar panels using a highly robust patented cell design, which has proven to outperform and outlast conventional solar panels by a considerable amount of time.

Which solar panels are best for your home?

SunPower, REC, Panasonic, Maxison, and Jinko Solar offer the best solar panels. The type of solar panel, power output, efficiency, performance in warm climates, warranty, and price are the key factors to assess when comparing solar panels. The best solar panel for your home can depend on your roof space, shading, and climate.
