

What is shopsolar?

At ShopSolar.com, we are on a mission to make solar simple, transparent & affordable. For years now, traditional solar companies and local installers have been over-charging customers for extremely basic solar panel systems (without batteries) At ShopSolar, we offer a wide variety of payment plan options to meet each customer's needs.

Does shopsolar offer solar panels?

DIY solar kits: ShopSolar offers over 95 ready-to-install DIY solar kits. DIY kits include solar panels, charge controllers, power storage and other accessories. Lithium batteries: ShopSolar has more than 60 lithium battery package options. All ShopSolar batteries include a manufacturer's warranty.

What equipment does shopsolar offer?

In addition to solar energy kits, ShopSolar offers individual equipment pieces. These include solar panels, generators, batteries, inverters, lighting, emergency power supplies and solar fridges and freezers. ShopSolar ships throughout the continental U.S., and most orders arrive within five to 10 business days. There is a 30-day return policy.

What did you buy from shopsolar?

The first time around, I got a Hex kit on the BLUETTI. I added the Anker solar generator, and added the expansion battery to the generator, and added the 400 watts solar panel. So, I got four things from ShopSolar. I liked the packaging they had the first time that I bought from them and I liked the quality of the unit.

Why do you like shopsolar?

I liked the service I got from ShopSolar because they were always there after the sale. In the last couple of months, I've added another solar generator and a 400 watts solar panel.

How does shopsolar save you money?
