We trace our humble roots to a small electrical shop in Mombasa known as Abdulrasul Mulla & Sons which was established in 1992. Recognizing the promise in green energy, especially solar energy as a solution to empowering remote areas with electricity and as the technology of the future, our business evolved and Burhani Solar was born in 2005.

All packages include a solar panel (installed on the roof of the premises), one battery with two USB inputs with the purpose of charging e.g. mobile phones, and additional appliances depending on the package. ... With a Wifi router, shops, caf&#233;s and restaurants are able to bring the village together to access the internet, read news, download ...

Solar Lights in Mombasa. Mombasa, a popular coastal city in Kenya with a hot and humid climate, is known for its stunning beaches and vibrant culture. However, the city has been experiencing electricity shortages and power outages in recent years, leaving many residents in the dark. ... Some of the most popular places to purchase solar lights ...

Since the advent of devolution, leaders in Mombasa have been toying with the idea of purifying seawater for domestic use. The plan was set in motion during the previous regime under former governor Hassan Joho, and in 2018, the county assembly approved plans to desalinate seawater to address the city"s acute water shortage.
