

What is solar & storage Live London?

Solar & Storage Live London showcases market leading and innovative solutions for Residential, Commercial/Industrial & Large-Scale Utility projects.

Why should you attend a solar & storage conference in London?

We bring the entire energy value chain together with innovators and disruptors, to discover the technology and solutions needed to drive the UK's energy transition. The London edition was launched in 2024 and was an overwhelming success, smashing targets with over 10,000 solar and storage professionals attending.

Why should you attend Solar & Storage?

“Solar & Storage is a highly-professional and very well organised event. It brings together industry experts, thought leaders and friends into one place. It enables us to network, educate and create many happy memories together. The event is appreciated by all who attend.”

London Stadium, home of West Ham United, will soon be fitted with a 6,500 sq m solar array. Image: London Stadium. Update 25 October 2024: Representatives for Ameresco responded to a Solar Power Portal enquiry about the capacity of the array and modules to be used at the stadium after the publication of this story. Press materials released on behalf of ...
