

One of the most exciting parts of my job as faculty is to meet and advise extremely talented, creative, and ambitious students at Stanford University and in the Department of Aeronautics and Astronautics in particular.

But, if you do not have an up-to-date map file (e.g., the most recent one was created in 2013), you need to define exception cases (e.g., submunicipality can be renamed or splitted) on the `mismatch_case_precinct_map.py` file before you run the `create_mapping_precinct_to_map.py` file.; Once the code is successfully run, a gejson file containing a list of submunicipalities, ...

SEOUL -- The Bank of Korea rarely finds itself at the center of the global economic discourse. Yet the team led by Governor Rhee Chang-yong is on the front ... Chia, an economist at Moody's Analytics, thinks soft third-quarter GDP results are "concerning and could lead to South Korea missing the BOK's 2024 GDP growth target of 2.4%." ...

The government increased its law enforcement efforts. Various articles under Chapter 31 of the Criminal Act, when read together, criminalized sex trafficking and labor trafficking and prescribed penalties of up to 15 years" imprisonment for trafficking crimes, which were sufficiently stringent and, with respect to sex trafficking, commensurate with penalties prescribed for other grave ...
