

Sri Lanka solar inverter installment payment

Why switch to solar power. Sri Lanka is one of the most expensive energy markets in the world. The use of solar can significantly reduce or eliminate your electricity bill as well as ensure an uninterrupted power supply. The average payback on solar power in Sri Lanka is 5 years. After this payback period, you are earning money on your roof.

For ALUMEX Products - Delivery Within 10 To 14 Working Days (After Payment Is Made). For On Order Products - Delivery Within 10 To 15 Working Days (After Payment Is Made). For Any Invoice Up To Rs.9,999, A Delivery Rate Of Rs.500 Will Be Charged.
