EEMB Energy Power Co., Ltd Exhibitor. EEMB is specialized in the production of Primary Lithium batteries and Rechargeable Lithium batteries since 1995. EEMB integrates the latest technology and systematic management to constantly improve its manufacturing system and provide state of the art products to exceed customer expectations both in ...

Custom Power can design a high-performance charger to fit your needs reliably, no matter what battery size or type you are using for your application. We offer both batteries and battery chargers manufactured by top brands, including Duracell battery charger solutions, Peak Battery, EEMB, Energy Access, Gold Mascot and PowerSonic.

EEMB has specialized in the production of a large line of quality primary and rechargeable lithium batteries since 1995. Their product series includes: Li-MnO2, Li-SOCl2, Li-Polymer, LiFePO4 batteries, Lithium power batteries which could be used in EV, E-BIKE, motorcycle, E-Scooter, electric tool, golf cart, electronic craft, etc. Custom-design and packing solution are available.
