

SWATTEN, a subsidiary of Sieyuan Electric, specialises in solar inverters and battery energy storage systems for residential and small-scale commercial clients. SWATTEN serves markets in Europe, the Middle East, and Oceania. Swatten's F1 Series is a stackable Battery Energy Storage System (BESS) designed for residential and small commercial use.

Powered by Sieyuan Shanghai Sieyuan Watten Technology Co., Ltd. Member of Sieyuan Electric Co., Ltd. H1 Series Three Phase Hybrid Inverter ... VPP, battery-free, battery-free & gridless INTELLIGENT MULTIPLE OPERATING MODES AVAILABLE KEY FEATURES. Technical data Powered by Sieyuan Recommend max.PV input power Max ...

Dual-layer insulation protection for battery cells and BMS 3. Unit-level fault isolation 4. 1000-hour salt spray test . SMART CONTROL. 1. Remote start, software upgrades 2. Real-time data monitoring ... swatten@sieyuan Address:No. 3399, Huaning Road, Minhang Dist, Shanghai, China.

Reboot the battery system. If the issue continues to persist, please get in touch with our customer support team for further assistance. High Temperature in Charging Battery Reboot the battery system. If the issue continues to persist, please get in touch with our customer support team for further assistance. Low Temperature in Discharging Battery Reboot the ...

Shut down the battery. If the problem persists, contact the dealer. 4 Battery system current temperature sharply rises Overcurrent, overcharge, or a short circuit in the battery Disconnect the switches of the battery system and other associated devices. If the malfunction persists, and ensuring personal safety, wear insulated gloves

Battery (input/output) Battery type Li-ion battery 80~460 30/30 Battery voltage range [V] Max. charge/discharge current [A] ... Swatten Europe Case Swatten APAC Case Compatible Battery Brand * For detailed list please contact our technical team. Title: Single Phase Hybrid Inverter (HV) (3~6) kW_241120 ...
