

Our Dealer Map is a comprehensive tool designed to connect you with our trusted dealers. It provides a visual representation of dealer locations across the region, making it easier for you to find the nearest dealer.

The authors of the book "Wain-Roy and the Invention of the Backhoe" attribute the revolutionary construction machine's creation to Vaino (pronounced Waino) J. Holopainen and Roy E. Handy Jr.

Nearly seventy-one years ago Waino and Roy formed the Wain-Roy Corporation which held its headquarters on Old Boston Turnpike (Rte 62) near Comet Pond in Hubbardston. Throughout the existence of the company their grass-roots innovation led to twenty-six major backhoe related designs including the tractor-loader-backhoe concept (TLB) and ...

Thumbs. When buckets can't hold it, a thumb proves very useful. A thumb offers pick and place movement of large, awkward objects such as boulders, stumps, pipe, logs, concrete slabs, and other debris.

I'm looking at buying a new Takeuchi TB240 mini excavator with a mechanical quick coupler. Their standard option is a Wain Roy, but they can also get a Werk Brau pin grabber for an additional \$1200, plus the buckets are extra.
